

Name: _____

Date: _____

Addition without change.

a.

The diagram shows two base ten blocks. The first block is a square labeled '21' with a small circle above it and a small circle below it. The second block is a square labeled '6' with a small circle above it and a small circle below it. To the right of the blocks is an equals sign followed by a large empty circle.

$$\boxed{21} + \boxed{6} = \bigcirc$$

b.

The diagram shows two base ten blocks. The first block is a square labeled '80' with a small circle above it and a small circle below it. The second block is a square labeled '19' with a small circle above it and a small circle below it. To the right of the blocks is an equals sign followed by a large empty circle.

$$\boxed{80} + \boxed{19} = \bigcirc$$
